

# **COVID-19 Safety Plan**

## **Belleville Karate & Jiu Jitsu**

### **Screening**

Self-screening will be done just inside the entrance to the facility (upstairs landing). Signage will be posted on the doors to enforce proper distancing.

We require that all participants and spectators sign in and provide answers to posted screening questions.

### **Physical Distancing**

We will post capacity limits at the entrance to the facility (Full Capacity 65 people. 50% capacity 32 people. Posted capacity constraints on space – 18 students plus up to 3 instructors, 8 spectators).

Signs for physical distancing recommendations will be posted for spectators including assigned seating locations.

It is recommended that students show up in their uniform to limit the need for changing facilities. Changeroom capacity of 2 people at a time will be posted (exceptions made for members of the same household).

### **Masks/Face coverings**

Face masks will be required for all except participants when on the dojo floor.

### **Hygiene**

Sanitizer will be provided at the facility entrance sign-in station. There are also dispensers affixed to the walls beside both entrances to the dojo floor. Signs will be posted reminding students/spectators to follow safe hygiene protocols by making use of the sanitizer provided.

### **Cleaning/Disinfecting**

The person responsible for the class (instructor) will be responsible for disinfecting all surfaces both before opening and before leaving. This includes, but is not limited to, handrails, tabletops, chairs, changerroom benches, sinks, toilets, dojo floors and mats (if used).
